Description Reviews

Vituu Electric Coffee Grinder:

Convenience that can be grasped with one hand, you can enjoy freshly-filled aromatic coffee at any time with its company during travel

Using ceramic grinding core, with cone structure, the constant temperature is not easy to heat during the slow grinding process, and the original aroma of coffee beans is retained

Chip auto-sensing technology, power off immediately after grinding the bean bin.

Rinse quickly, and it will be clean once you rinse it without trouble. (Note: The head part cannot be directly washed)

Double-layer seamless stainless steel, can be divided into two cups. You can share your freshly ground mellow coffee with your friends.

Magnetic contact charging method, dual lithium batteries can last 15-20 cups.

how to use?

1. Add the right amount of coffee beans to the bean bin
2. Cover the grinding motor with one-key grinding
3. Gently turn and pull down the toner cartridge, open the ear buckles on both sides
4. Add water to brew

Package Dimensions 11.02 x 4.57 x 4.53 inches

Item Weight 2.02 pounds
