★★★★★ Well designed, heavy duty cot at a reasonable price!

Reviewed in the United States on October 3, 2018

Color: Blue Heavy Duty - 75"x28" | Verified Purchase

Use to have a cot that was rated for 300lbs, but after one hunting season, one of the arms broke and a corner already had a tear. I am 6' 1", 235lbs, so I was looking for something with a sturdier, beefier frame. I ordered this cot based off of the Oval tubing, (much stronger) and overall size and design.

I set it up, and was not disappointed. It is very sturdy and made out of a heavy canvas material. I have plenty of room to lay down on my back (I am very broad shouldered). You do not feel any rods protruding through, making it very comfortable. I did also order the REDCAMP Cot Mattress, Cotton Sleeping Pad Mat Camping, 77"x29" to go with it and that added even more comfort. I am taking this cot out to hunting camp this season and will do a follow up after the season is over.

My husband and I purchased two of these cots after trying air mattresses for camping that deflated through the night. What a game-changer! These fold and set-up so easily even the kids can help. We bought the larger version so we'd have a bit more room to turn and lay on our sides if we wanted. Topped the cot with a lightweight sleep pad and actually slept better than at home! You won't regret trying these cots!

★★★★★ **I am very happy with this product**

Literally the Easiest sleeping apparatus ive ever used! Spent 8 years in the Army so i know my way around cots.... but seriously it just opens up and is ready to sleep!! Thats it!
And its got a gradual incline for a sleek headrest so its not uncomfortable to sleeo on your side. I am very happy with this product. My only disclaimer would be to size appropriately..... im 5'3 145lb and it fits me perfectly but if you are larger than me, move up a size.

★★★★★ **Fast and easy set up!**
Reviewed in the United States on July 19, 2018
Color: Green Heavy Duty - 75"x28" | **Verified Purchase**

The simplicity of setting up and taking down this cot is its selling point. For a cot it is comfortable, quite comfy, in fact, and it has good support. What is liked the least is that I don't get to use it enough! Some of the reviews mentioned noise when turning over, etc., but they must not be experienced with using cots. For a cot it is not very noisy, and once it has been used four or five times it is "broken in" and makes very little noise at all.

★★★★★ **Super sturdy, compact, and comfy!**
Reviewed in the United States on October 7, 2019
Color: Gray Heavy Duty - 75"x28" | **Verified Purchase**

I have always hated air mattresses for camping because I would always wake up on the ground, so I made the switch to a cot and could not have imagined having a better night's sleep! I am a back sleeper, so the support and sturdiness was perfect for me! I even had one of my kids sneak up onto the cot in the middle of the night with me and we both laid side by side comfortably. It was so easy to just pull out of the bag and unfold for use. It didn't lock into position for me which I was initially worried about, but I realized after sitting on it that it was actually more sturdy because the ground wasn't completely flat/level but the cot wasn't wiggling back and forth because the support beams weren't locked. I saw a bunch of reviews that had complaints of noisy fabric, but mine didn't make a sound (I'm 5'4" and 140lbs if that is any consolation). I used a super fluffy comforter to top it off (and because it was extremely cold weather) and I felt like I was sleeping on a cloud. No regrets for this purchase at all.

★★★★★ **Love It**
Reviewed in the United States on December 21, 2018
Color: Green Heavy Duty - 75"x28" | **Verified Purchase**

I am a backyard camper (among other places.) I like open space. This camping cot makes it easy to keep my patio space open, empty, and clear. I can rest in the sun then pack up and have the open space again. The dogs love this cot, too. Their claws are no match for this cot. It is light and quickly sets up/packs up. I use it frequently so I do not return it to its carrying bag, but when I have put it away, it's only a slight bother to stuff it in the carrier bag. It is comfortable and strong and has enabled many patio naps.

★★★★☆ **Nice cot but noisy**
Reviewed in the United States on January 26, 2018
Color: Green Heavy Duty - 75"x28" | **Verified Purchase**

I love this cot, it was a great purchase and I highly recommend it. It's easy to set up, easy to store and easy to transport. My only complaint is a minor one. Well, for me anyway. When you move around, shift during sleep or

simply get up, the fabric rubbing up against the tubing is extremely noisy so expect to wake up and annoy any light sleepers.
