★★★★★ **Dog tie out**

Reviewed in the United States on March 5, 2020

Verified Purchase

I am using this to tie out a 20lb dog. It seems to be working very well. Much less prone to kinking than a thicker one I used before. The real test will be my 50lb dog who is more active and much stronger but at 340lb breaking point, I expect it t hold up also.

★★★★★ Clothesline well worth the buy

Reviewed in the United States on August 11, 2020

Verified Purchase

I bought this for my Clothesline rope.. Definitely a great usage. I bought 2 adjustable turn buckles with 1 hook end and 1 ring end on each turn buckle to be able to adjust the wire for firmness or losen it. Definitely work the price. Very strong and very strudy.. But if you buy this for a Clothesline Definitely buy a adjustable turn buckle. Will Definitely help alot. This wire rope is easy to cut with a pair of a cutters.

★☆☆☆☆ **Not what i was looking for.**

Not what i was looking for. This is about half the size of a phone charger cord. Smaller than the 1/16 coated i get at home depot.

★☆☆☆☆ **The bottom line**

Reviewed in the United States on April 29, 2020

Verified Purchase

Not much differentiating the myriad options if you are purchasing this product. It's a race to the bottom line. Lack of packaging on this version. Arrived with a broken spool and unravelled. Mess.
