Gatherings in a COVID World

Evee thinks in spaces. In light of new health considerations, your favorite local establishments need

Want to add your venue?

Join our growing community of trusted partners to communicate your offerings and the new health measures you're taking. In addition to listings, we offer marketing assistance and remote event planning services as well! Learn more about our platform [here](#) or click the button below to submit your spaces to be listed on Eevee!

List Your Space

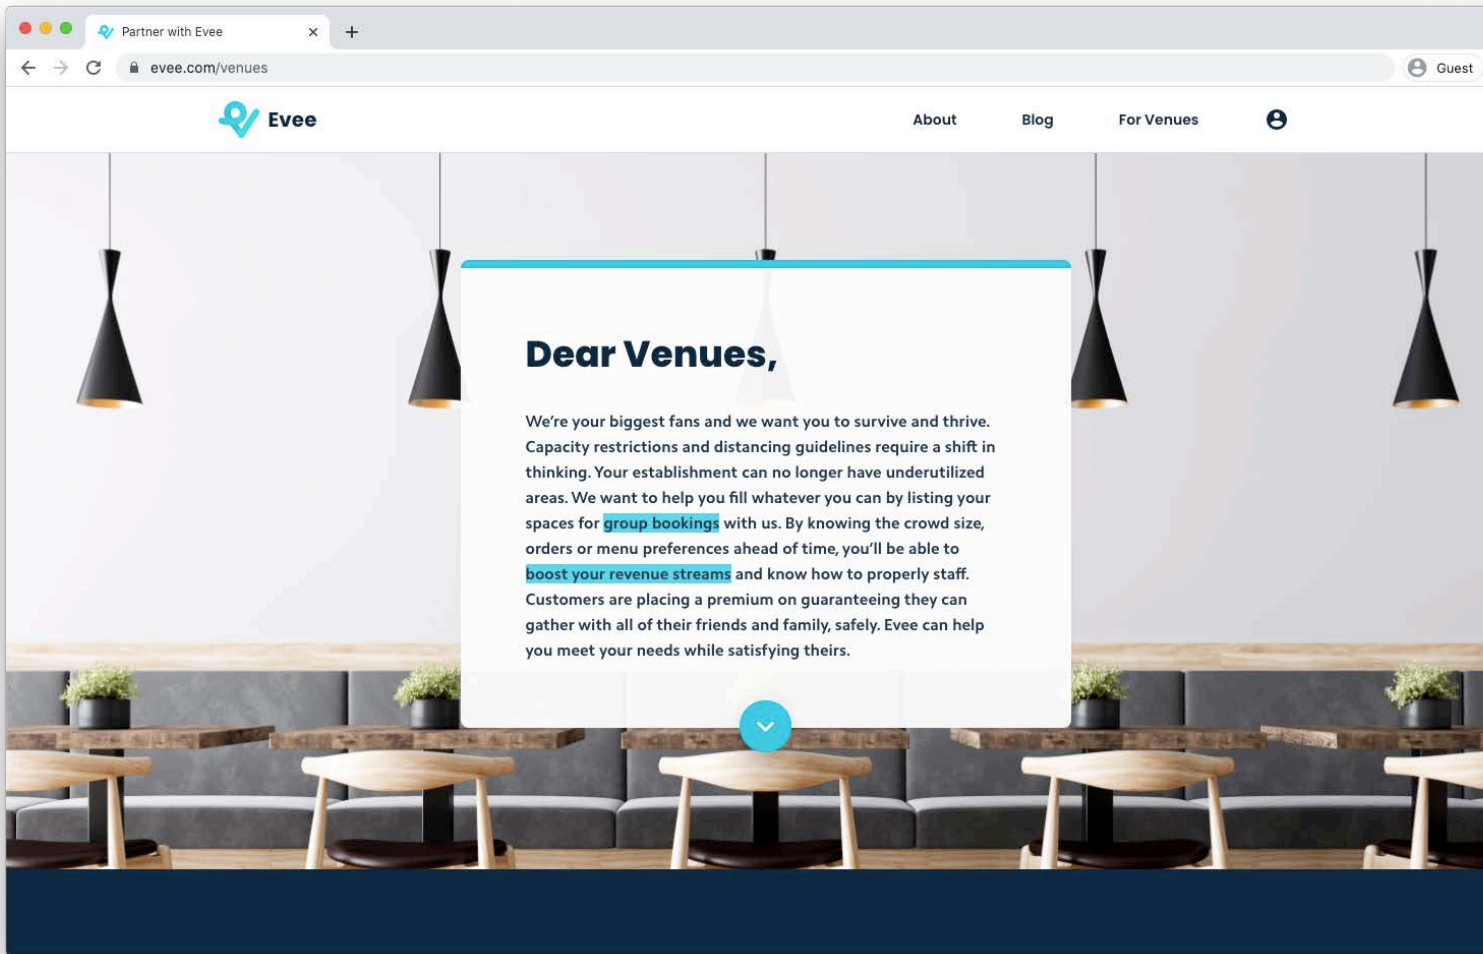

We are on a mission to bring people together.

Evee's goal is to make planning social gatherings and group events impossibly easy. Our platform allows you to discover and book venues tailored just for you and your guests. You pick the place, we handle the logistics—no phone tag or email traffic required. With Eevee, you can reserve an outdoor patio for a birthday, a private, tasteful hangout for your next corporate happy hour, or even the best couch at your favorite bar.

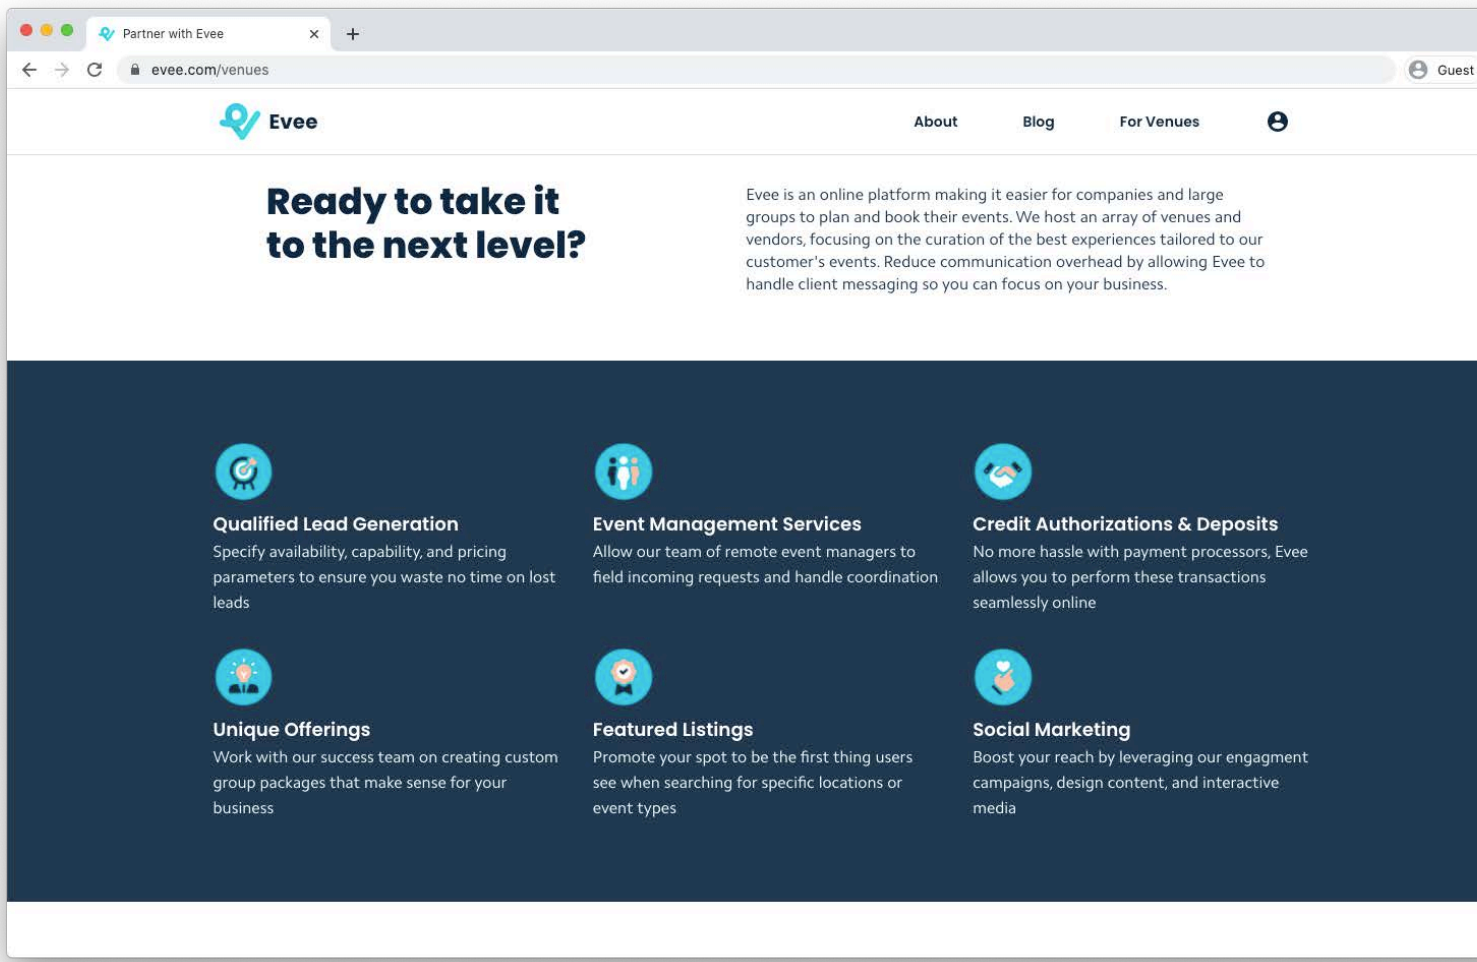

Gathering, safely

COVID-19 may change how we think about going out right now, but Eevee is committed to facilitating the safest processes available.

Dear Venues,

We're your biggest fans and we want you to survive and thrive. Capacity restrictions and distancing guidelines require a shift in thinking. Your establishment can no longer have underutilized areas. We want to help you fill whatever you can by listing your spaces for [group bookings](#) with us. By knowing the crowd size, orders or menu preferences ahead of time, you'll be able to [boost your revenue streams](#) and know how to properly staff. Customers are placing a premium on guaranteeing they can gather with all of their friends and family, safely. Eevee can help you meet your needs while satisfying theirs.

Ready to take it to the next level?

Evee is an online platform making it easier for companies and large groups to plan and book their events. We host an array of venues and vendors, focusing on the curation of the best experiences tailored to our customer's events. Reduce communication overhead by allowing Eevee to handle client messaging so you can focus on your business.
