- Keeps up with the latest trend of USB interface. This user-friendly design allows you to plug into all your USB Type-C compatible devices without worrying about the orientation of the port.
- 10X Stronger and Perfect: Encased with Triple-Braided Nylon fiber, which make it have excellent anti-twisting & Abrasion-proof property. This USB Type C Cable can withstand at least 10,000 cycles of 90 degree bend test. Ideal for your heavy daily use.
