SMALL BUSINESS TAX & ACCOUNTING

Your busy running your business, often long after "traditional" business hours. Our firm recognizes this and understands the demands of today's competitive climate. That is why we have developed a system for your financials that will allow us to handle the books for you.

We come to you so there is no stress of making an appointment to come in and bring a box of receipts or multiple spreadsheets. Our aim is to give you a piece of mind so that your business can prosper the way that it should.

Small Business Tax

- 30% off base rates if monthly customer
- Electronic Filing
- Estimated Tax Payment Vouchers (printed for the next tax year)
- Consultations on tax notices received
- Payroll Taxes (if needed)
- 1099 and W-2 Preparation

Small Business Accounting

- Detailed General Ledger
- Bank Reconciliation (Quarterly/Monthly/Weekly)
- Unlimited phone consultation
- Preparation of Business Tax Returns at a discount
- Tax Planning (entity structure discussed)
- Audit Assistance
- Business goals meetings
- Account Clean-up (25% off when 6 month contract is signed)
