ABOUT THE FIRM

Experienced Excellence

Profound Law LLP is a full legal service firm located in Silicon Valley, California. We represent clients mainly on intellectual property, and business issues.

Profound Law LLP also forms a legal alliance between Asia and the United States. Our main office locates at San Jose, California, but we intensively cooperate with law firm in Taiwan and China. Throughout our international network, we are able to counsel businesses and individuals involving cross-country projects or disputes with respect to transactions and litigation issues. In this globalization world, we understand clients normally have needs for cross-discipline solutions to enforce and protect their intellectual property rights, to solve matters arising out of business operations, and we also offer helps on visa application as clients' assets grow and thus have potential needs for investment concern.

We bear in mind of clients' goals and bottom-line concerns; we offer objective advice and evaluate the risks; we have litigation experience and can assist our clients if clients choose to fight while we consider that choice is best suited to their situation.

Please feel free to contact us if you would like further information about our legal services.

Dependable, calm, and well spoken, our team of legal professionals add the personal touch our clients deserve whilst approaching each new case with the attention it needs. Get in touch with us today.
