Product Description

Sleep more soundly with the gentle pressure of a weighted blanket that is suited to your sleeping habits and style. In the age of optimizing your bedtime routine with the perfect pillow, mattress and bedding set, the weighted blanket is the latest must-have item for sweet slumber and restful dreams.

Weighted blankets are relatively unique in that instead of being filled with cotton or down, they contain materials like beads, discs or pellets made of polyfill or glass. This

weight is evenly distributed across the body for a feeling of being gently hugged. As a result, sleepers may feel more relaxed, and weighted blankets have even been shown to reduce stress. The deep touch pressure offered by the blanket is supposed to make you feel safe, relaxed and comfortable.

At first, the concept of a blanket that delivers deep touch pressure was used to support children and adults suffering from anxiety and other mental health struggles. Now, many people are picking up on the soothing benefits of a weighted blanket and the concept has gone mainstream. As a result, there are numerous options of blankets for sleepers of all kinds. Whether you sleep hot or cold, with a partner or not, we've got the perfect blanket to make your snooze sessions more restful.
