

HOW TO USE FIXIT™
 After shampooing hair, distribute FIXIT™ throughout hair. Leave on for 10-30 minutes, depending on hair's level of dryness or damage. Rinse well and style.
 Do not leave on overnight

COMO USAR FIXIT™
 Despues del shampoo, aplique FIXIT™ por todo el cabello. Espere de 10-30 minutos, segun el grado de sequedad o daño. Enjuage bien el cabello y peínelo a su gusto.
 No deje el producto en el cabello toda la noche.
