

YONNOR Triangle Set Plastic Clear Ruler Set

\$7.99

- These clear triangles are made of high quality plastic. With two separate triangles, one with 30 and 60 degrees and the other with 45 and 90 degrees, be prepared for every situation with these drafting triangles.
- With clean precise graduations in inches and centimetres, make accurate clean lines. These small triangle rulers are perfect for travel or school.
- The 45 degree triangle has Inches and metric graduations with a protractor cutout for a full 180 degrees. The 30/60 degree triangle has a full 8 inches and metric graduations on it. Use either triangle for any situation.
