- **FUN BATH TOYS:** Babies will be able to express their boundless imagination with these prettily coloured bath toys with various characters based around a maritime theme. There will be lots of fun squirting water and improvising pirate stories.
- **EDUCATIONAL:** These water toys help develop dexterity, memory and imagination in babies from 10 months of age. This game includes 12 marine animal figures in various colours and shapes, encouraging babies to enrich their vocabulary.
- **ERGONOMIC:** Thanks to their small size, your child's little hands can easily grab these fun water sprinklers. The water flows through the small hole and is expelled in a waterfall of roaring laughter with a simple squeeze from the baby. Raincoat recommended for Mom and Dad!
- **100% PVC, PARABEN AND PHTHALATES FREE:** Baby can safely put the toys in the mouth and grab them without the risk of harmful substances. Remember to drain toys after use and wash them in clean water regularly. The colour and the material are retained over time for many hours of adventure.
- **ORIGINAL GIFT IDEA:** With its practical storage kit to tidy the little marine animal, this low-cost toy is a perfect gift to include on a birth list. With these cute bath toys, Baby will certainly be like a fish in water.
