pequano Toaster Oven | Digital Convection Oven, Large 6-Slice Ca

I'm very happy with this oven. The digital controls, temperature/time are well thought out and easy to use. The interior light which you can turn on and off is great. The convection fan makes a big difference in cooking times and the fan is quiet. It seems to be a very well designed unit. The temperature never fluctuates more than 5 degrees which surprised me. And the size is great. I can cook almost anything smaller than a turkey. I love it!

pequano Toaster Oven | Digital Convection Oven, Large 6-Slice Ca

I like when it came 3 days earlier and also it looks really nice on my countertop and it's very easy to use and setting it up is a breeze.
