Description Reviews

[FULL BODY HANDHELD MASSAGE] - Offering self-massager trigger point relief this ergonomic roller uses dual texturing rolling massage points that can be used on the arms, forearms, elbows, legs, calves, neck, and other sore or aching areas.

[360° ROLL MESSAGE] - suitable for various use requirements like arm/leg/thigh muscles or neck muscle relaxer, give you more comfortable massage experience.

[DEEP TISSUE FASCIA MASSAGE] - Rolling our body massager over your muscles before or after a tough workout or long day at work can help relieve stress, reduce aches and pains, and minimize soreness to help you recover faster.

[PORTABLE & LIGHTWEIGHT] - Overall dimension: Portable enough to be stored in your office and home. You can get a perfect training at any time.

[APPLICATION] - Perfect for runners, athletes, yoga practitioners, pilates enthusiasts, swimmers, dancers, cross fit athletes, bodybuilders, and anybody else who is committed to health, fitness, and wellness.
