- Rubber embossing design, the attached hand is not easy to slide. Four finger high permeability mesh design and rubber block sliding for full protection.
- Special ergonomic design and soft rubber shell protection, both beautiful and safe. 3D breathable mesh, comfortable and not hot.
- Ergonomics, hand stereo anti dropping hard shell protection, shock absorbing foam has better protection than general.
- Unique and practical touch screen finger function design, you can use gloves on all touch screen devices. Perfect for your hands, so you can use the phone without taking off your gloves.
- This glove gives the palm maximum slip resistance and full grip. The design of wrist Velcro is adjusted to make the gloves easy to fall off.
