Product description

[No Constant Struggle of Re-adjusting] Unlike rubber bands, this fabric resistance bands with non-slip latex wire inside won't slip around, roll up or pinch your skin even you sweat a lot when exercising. You could complete routine without having to constantly pause workout and adjust your exercise bands. [Durable and Last Long Elastic] This glute bands made of thickened and strengthened poly-cotton is durable with strong resistance and hold up for a long time. Meanwhile, rubber grips reinforced with rows of stitches will keep stretchy and never loose over time with heavy use. [3 Resistances for Different Exercises] Every pack comes in 3 bands with different resistance levels, which are color-coded: green band is light level, pink band is medium level and purple band is heavy level. Different strengths give you a variety of options for your workout routine, targeting specific muscle groups like legs, thighs, hip or glutes. [Gym-in-Your-Pocket] The compact & lightweight design and the included portable carry bag make it convenient enough for you to warm up or activate muscles anytime and anywhere whether at home, in the gym, in the office, in a hotel, on beach, while traveling, etc. [Soft Touch on Your Bare Skin] The breathable knit surface that feels soft to the touch doesn't rub or scratch your skin and you cannot feel the friction sting/burn even on your bare skins. You won't get your skin hurt while using this bands for leg stretching, warm-up, Yoga, weightlifting, squatting, Pilates, at-home workout program, etc.
