ECOX Rechargeable deep cycle free maintenance lifepo4 cell 12v 118ah

50 - 9999 Pieces \$556.00 >=10000 Pieces \$546.00

New Buyer Promotion Up to US \$60 transaction fees waived on the first 3 orders

Battery Type: pack

Nominal Capacity: 118Ah

Nominal Voltage: 12.8V

Shipping: Support Express · Sea freight · Land freight · Air freight

Customization: Customized logo (Min. Order: 1000 Pieces) Customized packaging (Min. Order: 1000 Pieces) More

Product Description

## FOUNDED IN 2004

THE LEADING LITHIUM BATTERY SOLUTION PROVIDER

Our business has covered multiple areas including 3C, Smart Vacuum Cleaner, Electric Bicycle, Electric Scooter and Energy Storage etc.

DLG offers 12V LFP E-series battery, available in a variety of capacities, to be used as the building block of a larger energy storage system by assembling in series or parallel. The modular approach allows for flexible configurations to match almost any voltage and capacity requirements. Prototype system can be assembled faster than any time previously, therefore reducing project development time and decreasing non-recurring engineering expense. They have been successfully used in energy storage systems, AGV, forklifts etc. Excellent cycle life and maintenance free design offers end-users complete peace of mind.

### Features

### Datasheet
