- Using normal temperature dehumidification, water molecules are drawn away in an unevaporated state, leaving no sodium and magnesium metal ions produced by evaporation
- Drawer type visible water tank, real-time visible water volume of the water tank, red light on full water, easy to pour water and clean
- Quiet and low noise, designed for mother and baby, 40W rated power, energy saving
- The silent operation will not affect your sleep, work or study. It is light and compact and can be moved from the room to the bedroom, bathroom, basement, closet, office, camper, RV and other efficient dehumidification.
- According to research, if the moisture in the air exceeds 50%, it will cause discomfort or other health problems. This dehumidifier can take too much water out of the air to effectively dehumidify.
