Description

Reviews (0)

- USB 2.0 Fast Charging & Data Transfer : USB-C Cable Transfer speed up to 480Mb / s, 3A Fast Charger, Data Transfer and Power Charging 2 in 1.Support from both sides can be inserted "positive and negative insert" function, can withstand 10,000 times repeatedly plug. 【NOTE : Not compatible with iPhone or Micro USB!】
- Nylon Tangle-free Design : Tangle-free Nylon Braided Design, With a tested 10000+ bend lifespan, this USB C Cable is far more dependable than others in its price range. Premium nylon braided type c cable adds additional durability and tangle free.
- 【NOTE : This cord alone WILL NOT provide you with fast charging alone, you will need a power block rated for fast charging and a phone capable of the same.】
- SAFE & RELIABLE: Manufactured in accordance with USB Type-C specifications version 1.1. Solid 23AWG wire core is housed within premium aluminum housing for safe and reliable charging up to 3A. Standard 56kΩ pull-up resistor contained.
- What You Get : We provide 3 Pack Nylon Braided USB 2.0 Type-C Cable, if you have any questions,we will resolve your issue within 24 hours.
