Image and Destination URL

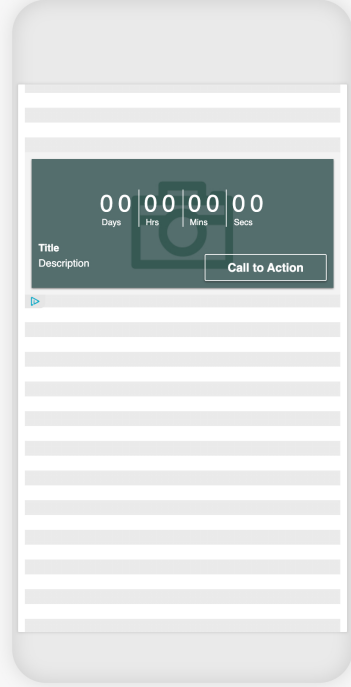

Images must be 720px x 304px. *However please note that images will only have a visible area of 484px x 280px so you should design your image to have non-viewable top and bottom borders of 12px each and side borders of 118px each.* Only JPG & GIF file types under 200KB are accepted. Avoid using any text on the image itself. Select the destination url for this unit.

Cover Image **required**
