

BUILD A BETTER FUTURE

August 31 – September 2, 2020 | 12 PM – 4:30 PM ET

MEP Force 2020 is the only virtual event for Mechanical, Electrical, and Plumbing.

Taught by and for trade professionals, you'll learn which prefabrication trends will affect your market and connect with industry leaders for 3 days of forging a competitive future.

Mechanical,

technology and see
with peers and industry

WE'RE ENHANCING THE VIRTUAL EXPERIENCE

Save money without sacrificing quality. With the ability to customize your schedule, you can ensure you are receiving top-tier tailored information taught by industry experts.

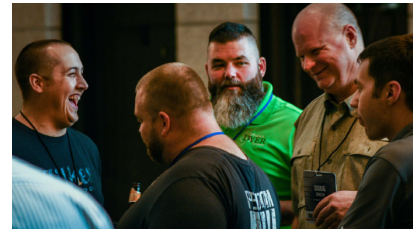

MASTER MEP TECHNOLOGY

Learn from experts in our 3 day virtual experience, and get real-world content you can't find anywhere else

FORGET FOMO

Join your favorite discussions then stream any of the 80+ breakout sessions you had to miss

NETWORK

Connect with the "Construction Dorks" and other interest groups as you expand your virtual tribe
