

ROLLING WITH THE TIMES

In these unprecedented times Trailer Park is working every day to find new and innovative ways to meet our client's needs while keeping everyone safe and creatively inspired. To meet the challenges of shooting top quality cinematic content while adhering to all COVID-safe practices we have created the Beauty Box Camera System[™] which combines a custom remote camera and lighting system with a remote makeup service that can be tailored to a wide range of creative needs.

BEAUTY BOX CAMERA SYSTEM[™]

The Trailer Park Beauty Box Camera System[™] is an all-in-one remote camera and lighting system that delivers cinema quality video and sound while allowing no interaction between talent and crew. The system can be configured with any camera system (Arri, Red, Canon, Sony, etc) and lens configuration as well as professional wireless audio.

- Assembled off-site by Trailer Park crew
- Delivered to location by Trailer Park crew
- All crew use mandatory COVID-safe personal protective equipment
- On-site sanitization and 30 minute detox
- Support crew based outside location for remote operation
- Video-call support for talent
- Video-call direction and interview for client, producer and director
- Remote monitoring of Beauty Box camera for client, producer and director
- Remote lighting and focus control
- Easy one-plug power set up and simple DIY adjustments
- Large lighting and focus area allows for more options with talent movement

BEAUTY BOX MAKEUP SERVICE

A key element of the Beauty Box Camera System[™] is the remote makeup session which provides the talent with pre-shoot consultation, beauty products and a shoot-day remote glam session.

- Pre-shoot video-call makeup consultation with professional
- Any necessary supplemental beauty products and tools delivered to talent by shoot day
- Shoot day video-call glam session with professional who walks them through all the steps to create beautiful camera ready hair and makeup.
- Shoot day video-call client monitoring and on-camera final approval.
