ZOOVER Non-Slip Microfiber Shag Bathroom Rug Mat, 21" x 34"

- 85% Polyester, 15% Polyamide
- Microfiber shag bath rug in Platinum provides a comfortably plush place to stand and helps keep floors dry
- Absorbent, plush tufts across the entire surface soak up water fast; dries quickly for supreme comfort from one use to the next
- Non-slip backing keeps the rug securely in place, even when wet, for added safety
- Made of 85% polyester and 15% polyamide; imported; machine washable for easy home care
- Measures 21 by 34 inches; backed by an ZOOVER limited one-year warranty

Product description

Super Absorbent & Fast Drying

Experience a warm, clean, dry place to stand and a soothing barrier between bare feet and cold floors. The super-absorbent bath rug's microfiber surface quickly soaks up an impressive amount of water and keeps it contained. Even more, the bath rug dries quickly for a healthier environment and supreme comfort from one use to the next.

Supremely Soft

Exceptionally soft to the touch, the microfiber shag bath rug combines 85% polyester and 15% polyamide. The rug's thick, plush tufts across its entire top surface offer a beautiful appearance, interesting texture, and a rich, velvety feel. Warning: bare toes might start to feel a bit blissful.

Durable Non-Slip Backing

Unlike other bath rugs with anti-slip surfaces that are known to fall off or separate in the wash, the ZOOVER bath rug features non-slip backing that stays securely in place. The durable, non-slip material provides long-lasting performance, and it reliably grips the floor, holding the rug in the desired spot, even when wet. Useful for all ages, from little kids to seniors, the non-slip bath rug provides a safer alternative to stepping onto slippery bath rugs or wet floors.
