★★★★★ Great quality!

These are very good quality face masks. A lot of places require them to enter and these do the job. They're comfortable and fit perfectly. Highly recommend.

★★★★★ Very satisfied

The ventilation effect is very strong, the elasticity is also very good, it is not easy to break even if it is pulled, the mask is comfortable and no smell, I think it is great, I like it very much, the cost performance is also relatively good, the workmanship is regular, very comfortable and breathable. Put on your ears, breathability is also good, take this out to feel super safe, I recommend everyone to buy.

★★★★★ **Comfortable face mask**

Reviewed in the United States on July 24, 2020

Verified Purchase

I used so many types of face mask since Jan 2020 and most of mask are not very much comfortable and I can't wear them for long. Some are comfortable then they are very expensive. This is nice and comfortable, I can wear this mask for long time. I stay in office and I change it in every 4 hours and works really well for me. This is universal so me and my other family member can use this. This is quality and affordable. I like this product and recommend it.

Love the mask feel really protected when wearing it especially in todays time and a great value i havent ran out of mask yet because they are so durable and ready to go next is that i can breathe so easily honestly its hard to find a mask to really breathe in and not have to fight against the straps hurting you ears this mask doesnt have those issues and highly think anyone should get these because u want to be safe not sorry!

★★★★★ **Comfortable**

Reviewed in the United States on July 21, 2020

Verified Purchase

The mask is very comfortable, with 50 units I realized that I won't need to buy new ones for a long time. I found it better than homemade cloth masks as they are light and easy to breathe through the mask. I bought these masks because sometimes they are more practical because I don't need to wash them and it is recommended to use a new mask every 2 hours.

☆☆☆☆☆ **Straps Are Waak**

Reviewed in the United States on August 13, 2020

Verified Purchase

Other reviewers that posted that the straps break easily are correct. However, if you are very gentle with them (don't pull them too far) they may do the job.

When I received them, I tested the first two in the package by pulling on the straps. They both broke fairly easily. I compared these to some Candy-something masks I just bought (put "Candy mask" into Amazon's search and it should come up) and the straps on the Cand did not break when pulled twice as far as the BLScode.

The Candy and BLScode masks look almost identical, but the performance difference is not identical.

★★★★★ **Great Quality**

Reviewed in the United States on June 30, 2020

Great value for the money, it arrived fast. They're made in China but that doesn't matter to me why should it. They've helped with this pandemic and the best part is that it comes with 50 triple layer mask, they're great quality.

☆☆☆☆☆ **Worthless**

Reviewed in the United States on August 13, 2020

These masks are so thin that they do not provide an adequate barrier to the virus. I will have to wear 2 at a time to feel somewhat protected. Choose another brand!!!!
