

GOODBYE WINTER

HELLO SPRING

The days are getting longer, the temperature is getting warmer, and our kitchen is filling up with the freshest, most flavorful ingredients of the season. Our Chef is transforming them into a special, \$29.95 three-course Hello Spring menu featuring a choice of 4 new entrées only available on this menu. Every choice is one you'll feel good about, so join us as often as you like to choose them all.

Now through May 26.
