Super vibrant. Super lush. Super creamy. This cult-classic lipstick is the perfect combination of high-impact color in a super-moisturizing formula

This lipstick uses microfine pigments so the shades are vibrant, but the feeling is lightweight

The formula is infused with vitamin E and avocado oil. Buttery-only better!

Non caking, lightweight formula for superior comfort

Over 82 amazing ways to play with cool, classic, and trendy lipstick shades ranging from nudes, pinks, reds, corals, browns and purples, in 4 finishes: cream, pearl, sheer, and matte

**I freaking love this lipstick**

I freaking love this lipstick. I bought it (hesitantly) after watching a YouTube beauty video. I have brown skin, so it's usually hard for me to watch videos online and buy products that I can't see, because so often the colors are just wrong for me.
