Description Reviews (2)

Products details:

Material: aluminum alloy, fabric weaving
Function: fast charging, data transmission
Current: support 2.4A current
Applicable models: Micro USB/Type C
Length: 20cm
Features: aluminum alloy joints. Strong compatibility, stable quality.
Function: Super compatibility, support different brand equipment, thick copper conductor, support synchronous charging and data transmission, high-strength nylon thread pull is more durable.
Package: 1 Pcs of cable
Note: (Please allows 1-3cm difference due to manual measurement and slight color variation for different display setting. Thanks for your understanding)
