Description Reviews (1)

- HIGH QUALITY 3 LAYERS FACE MASK: Breathable face masks are made of good quality facial mask non-woven fabric. Outer layer is effective dust waterproof; Middle layer stop particles; Inner skin-friendly layer absorb the moisture from the breath, which makes it breathable and comfortable to wear. 3 ply face mask can well protect your breathing.
- BREATHABLE & COMFORTABLE TO WEAR: Disposable masks for protection are using for personal protection. The Length is 6.8 inch / The width is 3.7 inch, with the metal adjustable nose clip bridge, one size fits all. Soft and elastic earloop provide a light weight wearing experience for you. Easy to use, cover mouth, nose and chin.
- WIDELY USE: Adult face masks are suitable for office, home, salon, cycling, grocery store and simply general public. It's a good mask to wear it when you travel through malls, party and busy

city streets. keep you from dust, PM 2.5, haze, smoke, automobile exhaust, etc.

- WHAT YOU GET: 50 pcs blue disposable face masks bulk in a box, enough to meet your family /staff /friends' demands.
- Pocket face masks are made from China. Don't judge a facemask by where it made from, just like don't judge one person by where he/she come from. As long as it can well protect yourself and your family's health, A GREAT MASK IT IS !
