- ✓JUST ENOUGH SALT - You will not get thrown off by excessively added salt. These low carb snacks have been lightly salted with just enough to raise their flavor profile but to not cause an undesired experience as other brands might do
- ✓PROPERLY ROASTED – Using a standardized process to harvest, roast, salt and pack the macadamias where we sample every phase regularly and make sure that you will receive the same high-quality product again and again. Do not settle for less
- ✓DIET-FRIENDLY - Perfect Keto food, Paleo & Vegan because these are sugar free, dairy free and gluten free snacks. No oil added. Also, packed with great care in our peanut-free facilities in the Caribbean mountains where we have put rigorous control procedures in place to make them allergy-friendly
