- **PROTECTS AGAINST STAINS** – These are the perfect seat covers for your new car, or even a car that's just new-to-you. Our front seat covers offer protection against spills and stains that might occur inside of your vehicle while also refreshing the look of your interior.
- **WATERPROOF LINING** – Have peace of mind knowing that your seats are protected in the case of an accidental spill. We use a waterproof neoprene foam lining on the inside of our seat protectors for maximum protection against spills.
- **MODERN DESIGN** – Our universal fit seat covers feature a modern 'side-less' design that is fully compatible with any built-in airbags and armrests found in newer vehicles. No modifications required, simply install and you're all set!
- **EASY TO INSTALL** – The best investment for your new vehicle might also be the quickest. Follow our simple 3-step installation process to install the front seat covers before finishing off with the head rest covers.
- **UNIVERSAL FIT** – Our front seat covers are designed to fit most vehicles including cars, trucks, vans and SUVs. Please see our product images for fitment examples. Some additional work may be required to create a 'perfect' fit.
