

Helping Law Firms Accept and Manage Client Funds

Gravity Legal reduces the risk, cost, and administrative burden of accepting payments and managing funds in a trust or IOLTA account.

Schedule Demo

Accept Payments with Ease

Accept Credit & Debit Cards

Accept Funds via Bank Transfer

How does it work ?

STEP 1

Attorney or firm administrator creates a secure payment link.

STEP 2

Attorney or firm administrator sends link to client in an email, text message, or invoice.

STEP 3

Client clicks link and makes a single payment

Track & Transfer Funds

Split Deposits

Safely distribute funds from a single payment into trust, IOLTA or operating account

Transfer Funds

Transfer and track the movement of funds between trust and operating accounts

Trust Account Protection

Automatic protection from processing fees and other 3rd party debits

Comprehensive Developer API

Access Gravity Legal's features through a comprehensive RESTful API
