

AFTER SCHOOL PROGRAM

Fr3running ASP

- ASP is booked as a monthly program that includes all dates listed in the description
- These events will be held at a private residence in Larchmont Village and have a limit of 6 students per event. Participation is limited to ensure there is enough space for each student to maintain distance.
- There will be hands-free temperature readings upon arrival and hand sanitizing before and after the event.
- Drop off is preferred to reduce the foot traffic on the property. Parents are required to wear a mask during drop off and pick up.
