Great co sleeper

Reviewed in the United States on September 10, 2020

Color: Blue **Verified Purchase**

Bought this for my two month old. She is 12 lbs 23 inches. Really squishy bottom padding great for laying on hard or soft surfaces. If you take the mat out of the bottom and put it on the bed you can tighten it to be more snug on your baby. great durable fabric..Fits in your Halo bassinet too.

Beautiful print and great for the price.

It is just as beautiful as in the picture and the print is exactly what I wanted. For the price you cannot beat it.

One negative is that the pillow you need to insert to created the round border was difficult to insert and took two of us to do so, the pillow seemed a little too big for the item.

Love this! Color is great, hids stains, and is a safe place for baby to hang! Also gets bonus points because it serves at a cat bed when baby isnt using it ;)

Haven't used it yet but it's sturdy and seems like exactly what I was looking for. I originally ordered a different one, but decided on this pattern and sent the old one back. It's very pretty.

LOVE! Reasonable price

I bought this product in hopes that my newborn baby would sleep better in her bassinet and IT WORKED! It allows my baby to feel more comforted and it's the perfect size to take anywhere. The print is super cute but it can be a little challenging to put together.

Softener than expected but sturdy. Great design. Big enough so that bay can grow with this. Overall nice quality and above my expectations.
