So cute

Reviewed in the United States on July 31, 2020

I was hesitant because there are no reviews but yessss it's perfect. I'm getting the nursery ready for my baby and it looks great! It took me a long time to find an ivory canopy but I'm glad I kept looking because it looks so good. Very easy to assemble although the instructions had several typos.

Lovely Texture, Great Price

Really pretty! Beautiful texture and a great price for such good quality! Definitely wash before use. One of our products had a dead beetle on it and the other had a small black smudge. Both were easily solved with a wash.

We were looking for something with a large circumference so that the kids could have little hideouts from one another, which this product wasn't quite right for. We decided to get canopy bed frames after trying these out.

This canopy is simple, cute, whimsical and sturdy! I love the ivory color. It was very easy to set up. My 5.5 and 3 year old love it, especially when I added the lights to the inside :)
