- These false eyelashes are all 100% hand-made, and small bundles of eyelashes are arranged one by one to perfectly display the 3D effect. When you talk with others, others will be involuntarily attracted by your eyelashes.
- With an eyelash length of 25mm, when the glasses are opened and closed, you can obviously feel the long and warped eyelashes quivering slightly. The long eyelashes are thrown into a beautiful arc under the eyelid, which perfectly sets off the big eyes.

- The soft material, long eyelashes hung low, it seems that every slight tremor, like feathers, makes you feel the weight of eyelashes completely, natural and elegant.
- Fine workmanship provides quality assurance for our eyelashes. These handmade false eyelashes can be reused, to a certain extent, saving you unnecessary capital expenditure.
- We provide 100% high-quality after-sales service. If you receive products with any quality problems, please contact us as soon as possible and we will serve you wholeheartedly.
