Forno Color Statement Lipstick - Bahama Beige (0.14 Ounce) Cruel

I have only needed a couple of touch ups throughout the day, and even then it's only been a quick dab. It has come off very slightly just in the corners, through eating and drinking, but has stood up quite well to my constant lip licking also.

Forno Color Statement Lipstick - Bahama Beige (0.14 Ounce) Cruel

I love this product and the sellers couldn't have been more helpful. I ordered from the uk and given the current climate I chased the deceivers which was a couple of days late but the sellers couldn't have been nicer and we're able to explain why there was a slight delay. These lipsticks are definitely worth the wait
