## Description

### Feature:

♥**SKIN-FRIENDLY SILICONE:** 3D curved brush head, silicone material, imitation of skin touch, can remove hair remaining on pets, miscellaneous hair, combing hair, is conducive to blood circulation. Adding skin-friendly oil on the surface, delicate and soft touch, let the pet enjoy combing, 40-degree touch silicone material, high quality only this one.

♥**EASY TO CLEAN:** after each use, simply remove the hair from the edge, then gently remove the hair, then rinse directly with water

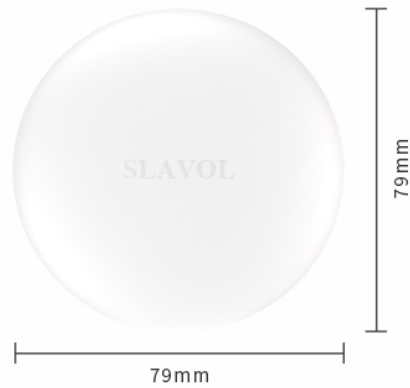

♥**DESIGN:** brush head design, 3D curved surface, 4 thick tapered needles, easy to penetrate different depths of hair, more suitable for the skin, giving the pet a layered massage experience.

♥**THE TASTE OF THE MIND:** Every time a pet changes season or estrus, the family will inevitably be eroded by flying hair. A massage comb can help you remove your pet's hair and reduce hair loss and knotting.
