supported by

sixsixsixpenny *Light the beacon!!!!*

I play this song usually every morning on my way to work. The first song I listen to. I play it to remind myself of all of my fallen loved ones, it literally will bring tears to my eyes sometimes just the feeling I get and the memories that flood back. I am so thankful for this song and the feelings it invokes. Favorite track: Light The Beacon.

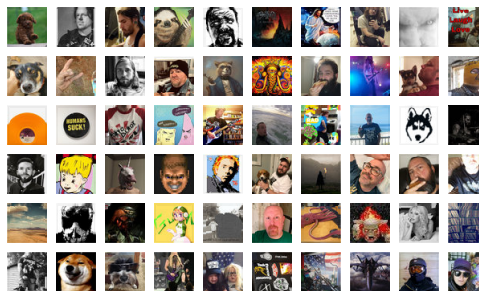

74wayne *This is great album more people needs to buy albums from this band. They are what metal should be Favorite track: Light The Beacon.*

dharmalogos *If you like traditional heavy metal this is awesome! What can I say? It's everything i want a metal band to be.*
