[Ultra Quiet & Low Consumption Pump] The pump is ultra quiet (measured below 40dB) and low consumption, normally lasting between 2.5 - 4 years.

[2.5L Large Capacity] 2.5L / 84oz water capacity is great for small to medium sized pets. The circulation system helps provide healthy and hygienic water for your beloved pets all day!

[BPA Free & High-quality Material] Made of high-quality PP resin, this automatic water bowl is BPA free, durable, and it's easy to operate and clean. Furthermore, each fountain comes with 1 silicone pad to catch splashing water from naughty pets.

[3 Different Flow Designs] Veken Pet Fountain has 3 modes: flower waterfall, flower bubble, and gentle fountain - each mode meets the needs of various pets. The free-falling stream and bright color attract pets to drink more water!

[Triple Filtration System] The pet water fountain is equipped with 3 replacement filters, each composed of a cotton layer, activated carbon and an ion exchange resin. They form a triple filtration system to prevent your pets from getting sick.
