The Workout Gloves protect your hands fully. The FOAM PAD on the palm will buffer the impact of sport apparatus.

The Workout Gloves are more breathable .The back of hands are made of spandex fiber which is a light and breathable fabric.And the gloves use the BACKLESS design.So the gloves will keep your hands dry and comfortable.

The Workout Gloves use humanization design. The gloves will be easy to take off for the LOOPS on the finger. And the TERRY CLOTH on the thumb can help wipe sweat off during training or doing other exercise.

The Workout Gloves are suitable for women,men,adults and teenagers to Weight Lifting, Pull Up, Exercise, Fitness, Gym Training and General Workouts.

You have no risk to have a try, just believe, we will be always with you. Any question, we are willing to try our best to solve it, without any requirement. If all customers are satisfied with our produnct, it will be our greatest achievement.
