### Description

#### Features:

- **[POWER OF BEAUTY]** This powder blush brush is great for everyday makeup, you can long time using, safe for sensitive skin, anti-bacteria, no smell. synthetic bristles are ultra plush and smooth,natural-looking coverage on every part of the face.
- **[SOFT & COMFORTABLE]** Incredibly soft, hand-cut bristles. The bristles give you a nice gentle and silky touch on the skin. Safe for sensitive skin and easy to clean. Help to create a perfect finish, and bring you to a whole new level of soothing makeup experience.
- **[GREAT TRAVEL BRUSH]** Retractable ferrule, with cover to protect bristles, clean and portable. Compact design makes it the ideal size to tuck into a travel bag for touchups throughout the day.
- **[TIPS]** There may be some smell of the brushes at first. You can open the brushes and let them sit out for a couple of days to make the smell gone. Also, it is normal that the blush brush may shed hair when the first time using. Please do not pull on the bristles, or they will fallen out.

**How To Clean:**

1. Each time after use, wipe off residue by brushing along the paper
2. Maintain the brush once a week. Put the brush into the special cleaning agent, and then wash it along the hair. Rinse it with cold water to clean it. Use glossy paper slightly to blot water up. Dry it on a dry towel after tidying.
3. Air-dry the brush instead of drying it under the sun or using blower, or it might damage the bristles.
4. After cleaning the brush, soak it in hair conditioner to soften the bristles.
