- PACKAGE INCLUDED: 8pcs makeup sponges with 2 different shapes & 2pcs sponge stand holders. Waterdrop round shape and cut surface design can meet all your makeup needs, ensures you a professional and precise application
- PACKAGE INCLUDED: 8pcs makeup sponges with 2 different shapes & 2pcs sponge stand holders. Waterdrop round shape and cut surface design can meet all your makeup needs, ensures you a professional and precise application
- Wet & Dry Use: Blending sponge turns bigger when wet. Dab it gently in the makeup and bounce it along your skin for a natural, flawless look. Minimal absorption with maximum coverage. A great choice from amateurs to pros
- Uniform Pore Structure: The surface is delicate and soft, with uniform pore structure and size, not easy floating powder. Perfect for foundation, BB cream, powder, concealer, isolation, liquid, or any other products
- Easy to Clean & Reusable: Different from ordinary makeup sponges, ours are not easy to peel or break, and don't stuck in powder, easy to clean! Cosmetics makeup sponge is easy to clean with mild soap and water
