- **DEAD SKIN & IMPERFECTION REMOVER** - Use this deep, super scrubbing exfoliating body mitt to remove dead skin, dirt, and impurities; Exfoliate easily at home to get fresh, glowing, soft as a baby's butt skin
- **BEST PREP FOR SUNLESS TANNING** - Smooth your rough skin and prep it for self-tanners, mousses, and lotions; Brush off dead skin cells and bumps, allowing your skin to absorb color faster and more evenly while creating a more consistent tan finish
- **HIGH QUALITY & LONG-LASTING** - This sturdy deep exfoliator is designed with a unique fabric rough enough to remove bumps and impurities, but smooth enough to scrub without pain; Strong and durable microfiber mitt
- **GREAT FOR EVEN THE ROUGHEST SKIN** - XMOSNZ Padded Microfiber Applicator Mitt is designed for all skin types and is perfect for anyone who wants silky smooth skin
