- PERFECT DESIGN - Comfort nylon bristles gently exfoliate, while the long curved handle allows you to reach hard-to-reach areas
- IMPROVE SKIN CONDITIONS - Dry brush can promote blood circulation and improve skin health. It can also be soaked to be used as body brush to remove cutin, dirt and dead skin
- ERGONOMIC GRIP - Firm and sturdy handle makes it comfortable to hold and use, better than just thin wire handle, make it easier to use
- HYGIENIC & LONG-LASTING - Simply rinse after use and hang up to dry. Easy to store on a shower caddy or hang on a hook
- 100% SATISFACTION GUARANTEED - If you experience an issue with your XMOSNZ product, get in touch with us for a replacement or refund. We will provide friendly, easy-to-reach support
