ALLERGY WARNINGS

*Although we do not use any gluten containing ingredients in our kitchen, we cannot ensure cross contamination will not occur. We are located in a building with shops that use and process wheat and other gluten containing products.

*Almond milk, almond butter, and almond pulp are heavily used in our blenders and kitchen. Though we do our best to mitigate cross contamination we cannot guarantee there will be no trace amounts of almond or other tree nuts in non-almond smoothies and dishes.
