Kodamma Bath Mats for Tub with Suction Cups and Drain Holes, Machine Washable, BPA, Latex ,Phthalate Free, Bathroom Mats

- Pvc
- NON-SLIP: Kodamma bath and shower mats feature 138 suction cups that help hold in place on smooth, clean surfaces. The bathtub mat with non slip, comfortable textured shape to provide natural feel and anti-skid protection, buffer and comfortable contemporary design appeals to mom and baby
- EXCELLENT DRAINAGE DESIGN: Our bathtub mat feature 158 drain holes drains water out quickly, without tangling hair . Does not float when bathtub is full of water. Keep the mat dry and clean
- MACHINE WASHABLE: Kodamma durable bath mat is machine-washable to facilitate hassle-free maintenance. To clean at any time, simply toss the mat into the machine and enjoy its fresh appearance
- PREMIUM MATERIAL & LARGE SIZE: The non slip shower mat is made of premium material that is BPA Free, Latex Free, Phthalate free. This large bathtub mat covers 27.6 x 16.5 inches provides maximum coverage and fits most bathtubs and bathroom
- WARNING !! : Prevent Falls: Secure suction cups before each use. Mat will only attach to clean, smooth surface. Not for use on textured, tiled, or non-smooth surfaces. Do not use bath oils and jump on the bath mat – may cause slipping

Product Description

How to protect yourself, your family, and your friends safety when bathing? This mat will be the best gift for elderly parents and young kids, giving them the safest bathtub mats so that they can enjoy a good bath time!

The anti-slip feature of this Kodamma Tub Mat makes it a smart choice for children, elderly people or others who are at an increased risk for falls and injury while showering. It also adds a safe foothold while you stand up after a relaxing bath. You will get ultimate comfort and safety from this deluxe bath mat. The mat is easy to maintain, and you can simply wipe the mat clean periodically to maintain its freshness.

Easy to install firmly , let's see how to make it , Check below please :

- 1, Unroll the mat and Lay it flat for 24 hours before using . Re-rolling the mat on the reverse side may keeps it lay flat. It is recommended soaking the mat in a tub by warm water for 10 minutes prior to your first use to make the bath mat unfold.
- 2, The bathtub must be clean, without any dirt , smudges, oils. Do not use mat on a textured surface since suction cups will not hold properly as mentioned in description
- 3, Before filling the tub and start the shower, moisten the tub with a little bit of water and aim at the center mat with suction cups on underside carefully
- 4, Press the bath mat with your hands to adsorb it on the smooth bathtub.
- 5, Make sure it was adsorbed at least 8-10 places for vacuum adsorption properly
- 6, The bathmat would be immovable when the Installation finished, 7, Repeat the instructions above or press on each suction cup one by one please if the mat still moved.
- 7, Rinse the mat every time you used, Machine-wash available, hang to air dry, do not use a dryer or radiator.
