Product description

The Valentinieya Yellow and Black Safety Tape prevents injuries by securing the perimeter and providing an early warning to people not to enter the facility or help them identify the boundaries of existing hazardous areas.

Why the Valentinieya Caution Yellow Tape is Designed For You.

- Highly visible and vibrant yellow hue is visible to people approaching from far distances.
- Bold Face lettering in deep and inky black pigment, contrasts well with the yellow background, thus highlighting the word "CAUTION" much more.
- The tape was designed to be flexible so even if it is pushed from time to time or even with heavy winds, the tape will not loosen or tear.
- Deep pigments were processed during the manufacturing stage so that it resistant to fade or abrasion even under harsh and changing weather conditions.
- Can be cut and installed easily, thus setting it up will only take a few minutes.
