Be all and take all - This is a philosophy we largely believe in order to deliver a magical output for the cricketing landscape that has remained unattained at the ground level. To enterprise that very ideology and enhance the user experience, we, at Xcel Corp, landed CricDost so that the fanatics can amplify the love for the game with never-seen-before features that will bowl you over.

Cric Dost application empowers you in a multi-faceted role - from e-scoring to live broadcasting,

It's a user-friendly app. And it gives a great platform for the street players and a best app for those are fond of cricket. From street player to star player everybody can able to create their own team from various different places. It useful for academies for creating a tournament or for finding t...
