TOIMIOTOIM Sliding Barn Door Hardware Upgrade Adjustable Wall Mount Floor Guide

#### Product Description

Brand : TOIMIOTOIM

**HIGH QUALITY MATERIAL:** The frame is made of corrosion resistant black powder coated aluminum for durability, suitable for door widths of 2cm ~ 5.4cm.

**Sliding Performance:** Adjustable wall mount rail stabilizes the bottom of the doors and offers the door to slide silently and smoothly.

**No Scratches for Doors:** No groove is needed to drill into the bottom of the door, no friction between the door surface and the floor guide.

**Easy Installation:** This is a wall mount bracket, no need to drill holes in the floor, won't damage the door, you can easily complete the installation in minutes.

**Duration after sale:** 100% satisfaction or your money back; free return service within 30 days; an experienced customer service team.

#### Advantage 1

Floor Sliding Door Guide suitable for 2cm ~ 5.4cm thickness door.

The smooth surface of the sliding door guide prevents the door from being scratched when sliding.

#### Advantage 2

The floor guide can be installed in any position.

Floor Sliding Door Guide prevents doors from swinging away from the wall.

#### Advantage 3

No need to drill holes in the floor, it is installed on the wall.

Pure nylon rollers make sliding smoother and quieter when pulling the door.

#### Installation Process:

1. Measure the thickness of the door;
2. Adjust the floor guide to the corresponding width according to the door width;
3. Fix the floor guide in that position;
4. Find the position on the wall where you install the floor guide and mark the position of the screw with a pencil;
5. Electric drill drilling hole, Put the holder into the wall;
6. Install the floor guide and tighten the screws.

#### Packaging includes:

floor guide \* 1  
screws \* 2  
L wrench \* 1  
fixed seat \* 2
