Top water design: easy to clean and add water, use a damp cloth to easily wipe every corner of the humidifier.

Efficient humidification: The ultrasonic humidifier can hold 3 liters/0.79 gallons of water, provides 30 hours of continuous cold fog, and moisturizes dry air from a filler.

Noise-free operation: Patented noise reduction technology fills your room with 28 decibels

of clean and fresh mist, without the sound of dripping, bringing tranquility and quietness
Aromatherapy function: Add your favorite essential oils to the essential oil tray to inject fragrance into the air and create a soothing environment for you and your family.
Easy control: Use the control knob to freely adjust the spray output (100-220mL/h), maintain the ideal indoor humidity level, and increase the comfort of the bedroom, living room or office
