Description

Brand: JENMLO

Camera and Phone Tripod was designed for adventure. Made of high strength Aluminum for superior durability, while also being lightweight (less than 4lbs) for easy travel and adventure. No more lugging around heavy gear!

Whether you're shooting wildlife or sports, it's the perfect monopod for camera and phones!

When you're done, easily compact it down and place it in the travel bag for easy portability. The perfect travel tripod for phone and camera!
